One of the agenda items for discussion includes the Professional Technician's Competition, along with other key issues.

We have scheduled this meeting to coincide with **TMC's 2010 Annual Meeting & Transportation Technology Exhibition** being held on February, 9-12 at the Tampa Convention Center. The hotel for the luncheon is attached to the Convention Center via a sky walk for your convenience. The TMC Annual Meeting ends Friday morning and our luncheon meeting begins at noon. This should allow all of us that were already planning to attend TMC's 2010 Annual Meeting & Transportation Technology Exhibition to maximize our travel time (**please be aware that separate registration is required for TMC's 2010 Annual Meeting**).
